A map interface showing a green rectangular area representing a park. A yellow path winds through the map, starting from the bottom left, moving right, then turning upwards and right again. A black location pin is placed on the left side of the green area. A white information box with a black border is overlaid on the map, connected to the pin by a line. The box contains details for 'Bay ID: 6181', including its address, a table of attributes, and a wheelchair icon.
